Dear Andy,

Very belatedly we are writing to thank you for providing the engaging and compelling magic performance for the ASHK Annual Dinner on 5 November 2009. Our guests were appreciative of your brilliance with the magic and enjoyed being involved. Your magic captured the hearts of our members and helped to make the evening even more successful and memorable.

As a token of our appreciation, we have pleasure in enclosing several photographs taken at the event for your retention.

Once again, our sincere thanks for a great performance and we look forward to the possibility of including you in future events.

Taking this opportunity, we wish you a Happy & Healthy Year 2010!

Yours sincerely,

Sai-Cheong Foong
President, 2009
